

Southbridge High School Learning Model Updates

A survey of parents showed that some families would like to increase in-school time for their remote or hybrid students.

- Families of **remote students** who elected to attend hybrid with **two days** in person at the school have begun returning to school.
- Families of students who elected to increase attendance to **four days** may start their new schedule **November 30**.
- Families will receive **a phone call or email** with information about the transition and busing.
- If you would like to confirm your choice or decline the opportunity, please call the SHS main office at (508) 764-5450 **no later than November 24**.

Thank you!
