

The Community Eligibility Provision (CEP) is a provision from the Healthy Hunger-Free Kids Act of 2010 that allows schools and local school districts to provide free breakfast and lunch to all students. We are happy to announce this will remain effective through the 2019-2020 school year. All students in the Southbridge Public Schools are eligible for a free breakfast and a free lunch every day! Please encourage your students to participate in these healthy nutrition programs.
