August 10, 2018

Hello Middle School Students,

As your new principal, I am so looking forward to meeting all of you on our first day of school which is August 27, 2018. You will begin your first day of school getting off the bus to have breakfast in the cafeteria with hot and cold meal choices. You will then attend a grade level assembly to meet your assistant principal, teachers, and me. Next you will go to an extended homeroom period so you can understand your new schedule, get your locker, and ask any questions you may have. Grade 6 students will also get a school tour. You will then follow your schedule but the periods will be shortened due to our extended homeroom time. On the second day of school, you will follow your regular schedule with the regular period times. Our School Picture Day is scheduled for Sept. 10 but I will send you more information once we get closer to that date. The school supplies you will need for middle school are the following:

Two 3-Inch Binders (one will be for English & Social Studies and one will be for Math & Science)

Notebook Paper for Both Binders

Pens and Pencils

Yellow Highlighters

Four Folders (2 for each Binder)

Sneakers (only needed on days you have Physical Education class)

Please feel free to visit, e-mail, or call me with any questions you may have. Everyone is nervous on the first day of school but your middle school experience will be exciting, engaging, and rewarding.

Sincerely,

Carol Keenan
